

Banned Ingredients List

acesulfame-potassium (acesulfame-K)	irradiated foods	sorbic acid
aerosol sprays	lead soldered cans	stannous chloride
artificial colors	lye	succinic acid
artificial flavors	magnesium chloride	sucralose
aspartame	maltitol	sucrose polyester
azodicarbonamide	methyl silicone	sulfites (sulfur dioxide)
benzalkonium chloride	microcrystalline cellulose	Sweet-n-Low
benzoates in food	mineral oil	synthetic fragrances
benzoyl peroxide	mono- and diglycerides	talc
BHA (butylated hydroxyanisole)	monosodium glutamate (MSG)	TBHQ (tertiary butylhydroquinone)
BHT (butylated hydroxytoluene)	nano particles	tetrasodium EDTA
bleached flour	natamycin	tricosan
bromated flour	nitrites/nitrites	triethanolamine
brominated vegetable oil (BVO)	nonyl phenol ethoxylate	vanillin
butyl cellosolve	Nutrasweetoil, solvent extracted	
calcium bromate	olestra	
calcium disodium EDTA	only organic agave	
calcium peroxide	oxybenzone (in sunscreen)	
calcium propionate	oxystearin	
calcium saccharin	partially hydrogenated oil	
calcium stearoyl-2-lactylate	petrochemicals	
caprenin caustic soda (sodium hydroxide)	phthalates	
certified colors	polysorbate 60	
chlorinated phenols	polysorbate 65	
coal tar derivatives	polysorbate 80	
cottonseed oil cyclamates dimethylpolysiloxane	potassium benzoate	
dioctyl sodium sulfosuccinate	potassium bisulfite	
disodium calcium EDTA	potassium bromate	
disodium dihydrogen EDTA	potassium metabisulfite	
disodium dihydrogen pyrophosphate	potassium sorbate*	
disodium guanylate	propionates	
disodium inosinate	propyl gallate	
EDTA	propylene glycol alginate	
emu oil	refined sugar	
Equal	saccharin	
ethyl alcohol	Simplese	
ethyl vanillin	sodium aluminum phosphate	
ethylene oxide	sodium aluminum sulfate	
ethylenediamine tetraacetic acid EDTA	sodium benzoate	
FD & C colors	sodium bisulfite	
fois gras	sodium diacetate	
GMP (disodium guanylate)	sodium erythorbate	
growth hormones	sodium hexametaphosphate	
herb sourcing meets FDA Gras List	sodium hydroxide (caustic soda)	
high fructose corn syrup (HFCS)	sodium metabisulfite	
hydrogenated oil (fat)	sodium phosphate	
hydrogenated starch hydrolysate	sodium propionate	
IMP (disodium inosinate)	sodium pyrophosphate	
	sodium stearoyl-2-lactylate
